

VOLUNTARY IDENTITY THEFT PLAN— LEGALSHIELD

You will continue to have the option to enroll for Voluntary Identity Theft coverage through LegalShield, effective January 1, 2020. This coverage offers protection against identity and personal data theft. It includes a service guarantee of \$5 million, as well as dedicated 24/7/365 live service to assist you.

In the event of a compromise, your personal private investigator will work to uncover evidence, restore your identity, and clear your record back to its pre-theft status. You may purchase this product, which takes a proactive approach to monitor and protect against the range of today’s internet threats. You may elect for yourself and/or family, including dependents up to age 26.
